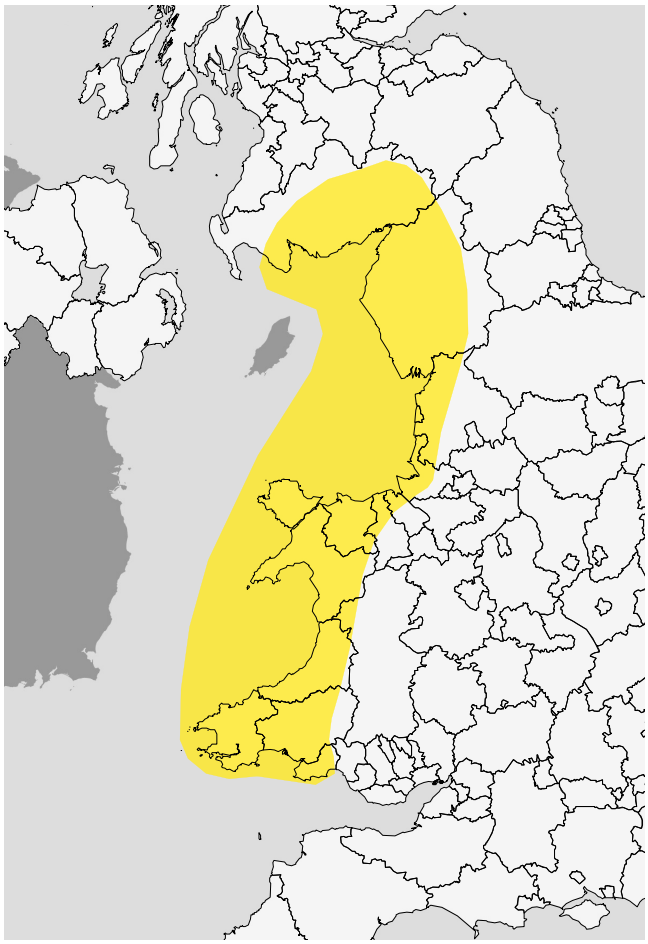
Yellow warning
Wind

Between
15:00 Tue 11 Apr 2023 and
23:00 Tue 11 Apr 2023



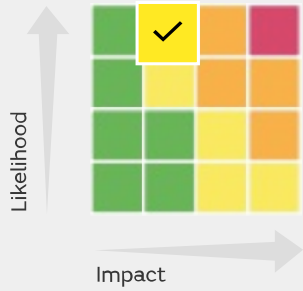
A spell of strong winds this evening bringing the potential for some disruption.

What to expect

- Some delays to road, rail, air and ferry transport expected
- Some bus and train services affected, with some journeys taking longer
- Delays for high-sided vehicles on exposed routes and bridges
- Some short term loss of power and other services possible
- Coastal routes, sea fronts and coastal communities will be affected by spray and/or large waves

Further details

A developing area of low pressure moving north through the Irish Sea will bring a spell of strong winds accompanied by some heavy rain to parts of Wales, northwest England and southwest Scotland this evening. Gusts of 45-55 mph are expected inland and 60-65 mph around some coastal areas. There is a chance of isolated gusts to 70 mph for a short time in exposed coastal locations.



High likelihood of low impacts
